Hair clipper with DualCut Technology
Stainless steel blades Kids comb, 24 length settings, 75mins cordless use/8h charge

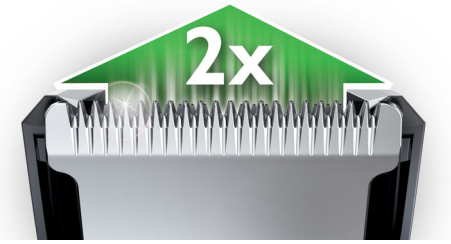
HC5446/15

Highlights

Kids comb

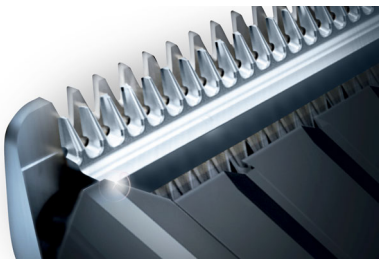
The kid-friendly comb, with rounded tips and short teeth is especially suitable for the youngest members of your family. It glides smoothly over the skin without scratching, to give a safe and pleasant haircut every time. Simply select and lock in the length you want by using the adjustable comb which provides 23 length settings from 1 to 23mm, with precisely 1mm between each length. Or you can use it without the comb for a close 0.5mm trim.

DualCut Technology



Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to cut hair twice as fast as regular Philips clippers, with the added confidence of a robust steel guard for ultimate durability.*

Stainless steel blades



Self-sharpening stainless steel blades for long-lasting sharpness.

24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23mm, and precisely 1mm between each length. Or you can use it without the comb for a close 0.5mm trim.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper on www.philips.com/5years to receive an additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5-year worldwide warranty in total.

No oil needed

No oil needed, for easy maintenance and to save you time.
